Redlands Nonprofit Receives Homeless Prevention Stimulus Funds

Family Service Association of Redlands receives funds from Board of Supervisors

SAN BERNARDINO, CA – The San Bernardino County Board of Supervisors authorized the allocation of funds to several area nonprofits today as part of President Obama’s national stimulus package, including the Family Service Association of Redlands.

The funds for the Redlands nonprofit were made available through the Homelessness Prevention and Rapid Re-housing Program. A total of \$342,450 was awarded. The funds will be used to prevent distressed families in the East Valley and mountain communities from becoming homeless and assist those who are experiencing homelessness.

“The organization has been an integral part of our community for more than 100 years and is a testament to the generosity and compassion of the people of Redlands,” stated Supervisor Neil Derry.
